Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

The uploaded paper (PDF) will need to include:

- Indication of provisions for involving audience participation, and format (overhead, PowerPoint, etc.)
- Indication of whether “fast-track” reviewing is needed: Experience from prior conference shows that participants from proposers from some countries – especially from the global South – may experience prolonged time getting visas. In order to counter that we will review proposals with anticipated visa difficulties as fast as possible. Please indicate if you think this is needed.
- A rationale explicating the theoretical grounding of the session, and its relevance to the theme and interests of the conference (500 words max without references):

The rationale should include, and will be evaluated based on the following four criteria:

- Significance of the topic/concern within the RECE’s foci on research, theory, practice, policy, advocacy and activism.
- Perspective(s) or theoretical framework.
- Methods, techniques, or modes of inquiry.
- Warrants for arguments/point of view.
